of

**Adi Jagadguru Sri Shivarathreeswara
Shivayogi Mahaswamiji**

Founder of Jagadguru Sri Veerasimhasana Mahasamsthana Math

Suttur Srikshethra * Mysuru Dist.

21st to 26th Jan 2020

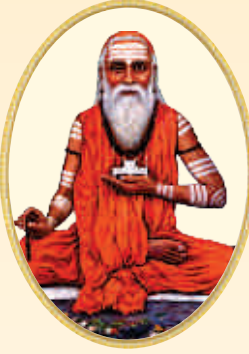

Jagadguru Sri Veerasimhasana Mahasamsthana Math was established on the banks of River Kapila by Adi Jagadguru Sri Shivarathreeswara Shivayogi Mahaswamiji at Suttur Srikshethra, Mysuru Dist. It was the divine response, as it were, for the intense penance he did about ten centuries ago for the upliftment of the people spiritually, socially and economically. The succeeding pontiffs of the Srimath scrupulously followed the footprints of this great sage and worked with utmost dedication to realize the ideals conceived by him, to build a fair society devoid of any discrimination.

JSS Mahavidyapeetha, the temporal wing of the Srimath, was started by Jagadguru Sri Shivarathri Rajendra Mahaswamiji for administering its multifaceted activities. Presently, it shoulders spiritual, social, educational, agricultural, health and other related responsibilities, enjoined upon itself by the Srimath globally.

To commemorate the benign memory of Adi Jagadguru Sri Shivarathreeswara Shivayogi Mahaswamiji, Jathra festivities are celebrated every year at Suttur Srikshetra, commencing from Pushya Bahula Dwadashi to Magha Shuddha Padyami. During the Jathra Mahothsava several rituals and other programmes are held including Rathothsava on Masa Shivarathri and Theppothsava on Magha Shuddha Padyami. The six-day celebrations include varieties of spiritual, educational and cultural activities that are helpful to every section of the society.

All the services and pujas during the course of these celebrations are held with the munificent donations and endowments offered by the devotees, organizations and associations, and, with the assistance from the department of Central and State governments.
