In order to create confident and skilled health care professionals, JSS Medical College, a constituent college of JSS Academy of Higher Education and Research has established a state of art comprehensive Skill and Simulation Centre. This enables us to apply a systematic approach to the elements of the circle of learning. It encompasses a broad range of diverse products like high-fidelity mannequins, task trainers, learning models, computer-based case scenarios in the area of Medicine, Surgery & Obstetrics practices.

\* Inauguration of the Centre-live streaming from the Centre to the Auditorium

\* Lunch: 12.30 PM

**All are cordially invited**
